ROWAN'S LAW – CONCUSSION MANAGEMENT

The *Rowan's Law* requirements came into effect on July 1, 2019. Swim Ontario takes the health and well-being of all participants in sport and recreation activities very seriously and is committed to helping all in the Swim Ontario family succeed in swimming and other activities. Parents, coaches, officials, volunteers and swimmers all have a role to play in ensuring the safety of all participants at sanctioned competitions in Ontario. We must create an environment that encourages and motivates participants to assume responsibility for their own safety and the safety of others.

Until further protocols or procedures are in place, the concussion management protocol will take effect for all participants at a Swim Ontario sanctioned competition that are involved in an incident resulting in a significant impact to the head, face, neck or body. If symptoms of a possible concussion are present the participant shall be removed from any further Swim Ontario sanctioned activity until they receive Swim Ontario approval upon clearance, in writing, by a medical professional with experience in concussion treatment/protocols. All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both 'open' and 'observable' to others.
